

Apologies to anyone who turned up to the meeting on Tuesday, it was held the evening before, Monday 13th, due to a double booking of the Village Hall. Please note that the February meeting is also on a Monday – 10th February, starting at 7pm. After which we will return to the second Tuesday of the month.

Parking along Station Road. After some discussion with Highways regarding the nuisance this is causing residents, Highways have agreed to check that the yellow road markings agree with the original Order. They have offered up the possibility of placing white H markings outside driveways. We will liaise with residents once we have more information.

MORE PARISH COUNCILLORS PLEASE – The committee is rather thin on the ground. One night a week each month with the odd bit of additional work if a project appeals to you. Do get in touch with the Clerk.

Community Grant Scheme

Each year, Kemble and Ewen Parish Council gives small grants to local groups and organisations that provide a service or social benefit to people living in Kemble, Kemble Wick, and Ewen.

This year a total fund of up to £700 is available.

Depending on the submissions, the parish council may divide this between several groups or give it all to just one group.

Organisations are invited to apply for some (or all) of this money. See the PC website for details.

Kemble Playground at Windmill Road

Exciting times ahead but a little disruption at present. After the great success of the consultaion form, the Kemble at Play working group have been looking at the refurbishment and rejuvenation of the playground. A detailed survey of the equipment was undertaken by a third party and two items have been/will be removed – the toddler play equipment and the junior swings. The rest of the playground is open. We will share the project dates and images of the proposal once it is all signed off.

Please see our website for all contact information, dates of future meetings, agendas and minutes. Thank you.
