1. Acceptance of apologies for absence. Apologies were received from Councillors Roger Pettit, Jenny Courts, Laura Hetherington & Christian Brann. Councillor David Ball chaired the meeting in Roger Pettit's absence.

2. Receipt of Declarations of Interest. There were no declarations of interest on items on the agenda.

3. Approval of the valuation of the village hall at £200,000. Following advice received from Tim Postlethwaite, the Internal Auditor, it was agreed by the meeting that it would be prudent to use the lowest figure in the range of market values estimated by Moore Allen in their village hall valuation. The fixed asset figure shown in the end of year accounts at 31st March 2006 was accordingly revised from £250,000 down to £200,000 which it was noted was the value shown in the previous year's accounts.

4. Adoption of the Annual Return. The Annual Return was completed to show the revised village hall value & was approved by the meeting. The Return was signed by the Chairman.
