Dear Neighbour

PLATFORM EXTENSION WORK – Kemble Station

I am writing to inform you that we need to undertake essential platform upgrading and extension works at Kemble Station as part of our Railway Upgrade Plan. We are currently delivering a range of projects throughout Gloucestershire, Somerset and Wiltshire, to transform the railway and meet the expected growth in passenger numbers which we expect in the very near future.

When will the work take place?

As part of the project, Platform 1 at Kemble Station will be refurbished and extended; this work will be carried out over a **10-week** period starting on the **2 January 2018**. Before we extend the length of the platform we need to conduct preparation works and set up the work site. We will then extend the platform length and modify the existing platform surfaces. As part of these works we will also be upgrading the platform lighting.

The timelines for the works are shown below:

- **Site set up and preparation works: 2 January 2018 – 12 January 2018**
- **Existing Platform 1 Refurbishment works: 06 January 2018 – 03 March 2018**
- **Platform 1 Extension works: 06 January 2018 - 14 January 2018**
- **Works Finish and Leave site: 9 March 2018**

How will we manage the impact on our neighbours?

We recognise that construction work on the railway can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable but please be assured that every effort is made to minimise any unnecessary noise. We have also reminded all staff and contractors to be considerate of the environment they are working in.

Closures and diversions

During these works the station will remain open during normal service operating hours.

Contact us

I hope this information is helpful and we apologise for any inconvenience these essential works may cause.

If you have any additional questions or concerns about the work taking place in your area please call our dedicated 24-hour National Helpline on: **03457 11 41 41** or visit www.networkrail.co.uk/contactus
