All the events are being co-ordinated by CCDT, together with the Royal British Legion, the Barn Theatre, the Parish Church and CDC.

To stage the events, we need to raise sponsorship money from the business community, local grant funding and of course - members of the public.

We need to fund everything from purchasing ponchos, to organising the Adopt a Soldier initiative for the Human Poppy, which will include WE REMEMBER 1918 SCHOOLS WORKSHOPS - an important project to bring awareness into schools and to help recruit members of the Human Poppy (Adopt a Soldier).

In addition to funding the costs of the weekend, we would like to support the following charities:

- The Royal British Legion
- The Parish Church of St John Baptist
- The Barn Theatre
- The Duke of Gloucester Play Group, South Cerney Barracks

WE REMEMBER 1918 is an initiative supported and managed by Cirencester Community Development Trust

# WE REMEMBER 1918

November 2018 marks the 100th anniversary of the end of the First World War in which over 1 million people were killed or wounded fighting for 'God, King and Country' - the war to end all wars.

A number of commemorative events are being planned throughout the year in the Cotswolds.

In Cirencester, the "Capital of The Cotswolds", the celebration culminates in a weekend of celebration and remembrance on the 9th, 10th and 11th November 2018.

This leaflet is designed to give you an introduction to the planned events and how you can become involved.
